

## Council selects its standing committees

Membership of its standing committees occupied almost the entire attention of the Governing Council at its meeting on July 20.

Prof. Harry Eastman moved an amendment to the Executive Committee's recommendation for the composition of the Academic Affairs Committee. He proposed to change the numbers of non-Governing Council members on the committee from 10 to 14 by adding three more members of the teaching staff and one more student. There was discussion of whether this would give the teaching staff a majority on the committee (contrary to Council's decision at its meeting on July 13).

During the discussion, the Chairman, C. Malin Harding, ruled that deans are to be considered to be members of the teaching staff for committee membership purposes, but that Presidential appointees, even if they teach, are not.

The amendment was lost by a vote of 19 to 15.

### *Academic Affairs Committee*

This committee accordingly is established as follows:

Chairman, Prof. R. M. H. Shepherd; vice-chairman, Mrs. Norma Grindal; other members, Profs. John E. Dove, William B. Dunphy, A. M. Fallis and J. C. Laidlaw; Aron Goldberg, Brian Morgan, John D. Morton, Mrs. Patti Fleury, James H. Joyce, Sydney Hermant, Peter C. Newman, Mrs. Marnie Paikin, and Dr. J. Tuzo Wilson.

In addition, there will be 10 persons from outside the Council membership, of whom four are to be members of the teaching staff, three are to be students, two deans, and one from either the administrative staff or the alumni.

### *Business Affairs Committee*

This committee, which went through without amendment, will consist of:

Chairman, Gordon N. Fisher; vice-chairman, Gesta J. Abols; other members, Prof. W. Barry Coutts, Prof. Harold W. Smith, Dr. E. A. Sellers, Ian Morrison, Rev. Graham Cotter, James H. Joyce, C. Mackenzie King, John A. Tory, and Mrs. Gwen Russell.

### *Internal Affairs Committee*

On motion of Mrs. Grindal, the com-

position of the committee was amended to add one part-time student, who might be from either within or outside the Governing Council. Its members are:

Chairman, Paul Cadario; vice-chairman, Sydney Hermant; other members, Prof. Michael Grapko, Prof. J. M. Margeson, Mrs. Clarice Henschel, Ian Morrison, Gesta J. Abols, Keith C. Hendrick, Murray Koffler, Mrs. Marnie Paikin, and John H. Parker.

### *External Affairs Committee*

This committee was enlarged by adding a member of the administrative staff, on the motion of Mrs. Gwen Russell. It will include:

Chairman, Walter J. MacNeill; vice-chairman, Edward A. Dunlop; other members, Prof. W. Barry Coutts, Dr. A. M. Fallis, Mrs. Joyce Denyer, Aron Goldberg, William H. Broadhurst, C. Ian P. Tate, Dr. Anthony Ceccuti, Mrs. Betty Kennedy and Dr. J. Tuzo Wilson.

### *Planning and Resources Committee*

This committee is to consist of:

Chairman, W. O. Twaits; vice-chairman, Prof. Charles Hanly; members, Prof. John E. Dove, Prof. Harry Eastman, Dr. J. C. Laidlaw, Mrs. Joyce Denyer, John D. Morton, Rev. Graham Cotter, Keith C. Hendrick, W. James Lewis, Lynn R. Williams, Rev. John M. Kelly, and John H. Parker.

In addition, at the suggestion of Dr. Tuzo Wilson, the committee will add two more members — one representative each from Erindale and Scarborough Colleges,

who may be a teacher, a student, or a member of the administrative staff.

At President John Evans' request, Council confirmed the following senior administrative officers as non-voting members of the committees: Academic Affairs — Vice-President and Provost Donald F. Forster; Business Affairs, Vice-President (Business Affairs) Alex G. Rankin; Internal Affairs — Vice-Provost Robin Ross (pro tem); External Affairs (for the time being) — Vice-President, (Institutional Relations and Planning) John H. Sword and Vice-Provost John D. Hamilton; Planning and Resources — Vice-President Sword.

On the question of open committee meetings, the Chairman said the Executive Committee had not had time to take up this matter. Nor had there been time to complete consideration of the By-laws and Rules of Procedure. However, these were submitted to Council in the hope that they could be adopted for the time being and be subsequently revised.

There was some disposition on the part of members to refer them back or to try to amend them piecemeal. However, Council's final decision was to adopt them and ask for written suggestions for improvements to be sent in for the consideration of the Executive Committee and subsequent referral to Council.

The standing committees are to start work immediately and the Council will hold its next session on August 17 at 4.30 p.m. It was decided to hold meetings again on August 31 and on September 21.

## The SAC issues a statement on undergraduate tuition fees

Eric Miglin, president of the Students' Administrative Council, has released to the press a motion passed at a special SAC meeting to discuss proposed action to be taken in response to recent increases in tuition fees and the higher ceiling for the loan portion of the Ontario Student Aid Program.

In a statement, Mr. Miglin said:

"The fee increase averages about \$100

for most undergraduates, but when combined with the OSAP ceiling hike of \$200 (from \$600 to \$800), this produces an effective fee increase of \$300 which will certainly have an adverse effect on accessibility to university education by students from families in the lower income levels.

"This deliberate government policy of effective regressive taxation and intense economic disincentives to lower income students is an implementation of a report prepared in November 1971 by the Secretariat of the Ontario Treasury Board and submitted to the Policy and Priorities Board of the Cabinet. The key section of the report states: Limiting enrolment will mainly affect those students entering the system who are least employable of the 18-24 age group. In terms of the 1972-73 projection, this will reduce the freshman intake by 16,000 and may result in a shift to part-time education.

"Please note that the SAC has not authorized a fee strike of any type for September and is deliberately keeping

## Major underground service work on King's College Rd and Circle

Vehicular and pedestrian traffic on King's College Road and the east side of King's College Circle, from College St. to Hart House Circle, will be disrupted throughout August and September by necessary underground service installations.

Work will begin in the first week of August on the construction of separate sanitary and storm sewers, and the installation of a new water line.

The Safety and Security Office is planning alternative parking areas and traffic routes, details of which will be announced as soon as possible.

Evan Prichard, Superintendent of St. George Campus, says the Construction Division of the Physical Plant Department, which has charge of the work, regrets the inconvenience to pedestrians and motorists and asks their indulgence during the next two months.

all options open for January. A decision on possible withholding of second term installments will not be made until well into the school year when all students concerned with this critical issue will have an opportunity to participate in the decision-making process.

"In addition, any proposal for a specific demonstration or for a fee strike in January must be brought before the Council for debate and thorough discussion before any final decision is taken."

The SAC motion follows:

"Whereas the \$100 rise in fees and the increase in loan ceilings have worsened an already inequitable situation in university financing and accessibility, be it resolved that

"1) The SAC recognises the need for immediate and organized action in opposition to those moves;

"2) The SAC has serious doubts about the workability of a fees strike at this time, and cannot therefore approve the OFS/FEO motion calling for such a strike;

"3) The SAC will organize a campaign encouraging students to pay only the first installment of tuition and incidental fees at the time of registration;

"4) The SAC will strike and finance a committee composed of the President, a Vice-President, the Education Commissioner, the University Commissioner, the Finance Commissioner, and four other members elected by the Council to conduct a publicity and lobbying campaign in co-operation with OFS/FEO; to raise support among the general public of Ontario and organizations within the community; and to draft tactics, which may include large scale demonstrations or a fees strike at a later date, for approval by council.

"5) The SAC will immediately begin research on and organization around alternative schemes of university financing.

## Pan American Medical Education conference in Toronto Aug 28-30

Medical educators from 18 North and South American nations are expected to attend the Fourth Pan American Conference on Medical Education in Toronto, Aug. 28-30. They are members of the Pan American Federation of Associations of Medical Schools and this will be their first meeting in Canada.

The object of the conference is to bring together experts in the field of medical education to facilitate and promote collaboration and exchanges of ideas on programs of physician training and on future directions of relevant research.

The main theme of the conference is "The Role of Education Research in Decision Making in Medical Education". There will be four sub-topics: assessment of Student Performance; curriculum evaluation; research and development in the education process; and longitudinal research, its objectives and applications.

The meeting is sponsored by the Canadian Association of Medical Colleges, in collaboration with the Pan American Federation of Associations of Medical Schools, with financial assistance from the Federal Government and the Province of Ontario.

The Hon. Mitchell Sharp, Minister of External Affairs, will take part in the opening ceremonies. The key-note speaker will be Dr. J. W. Steiner, Associate Dean of Medicine (Student Affairs), University of Toronto. Dr. Steiner has helped to initiate a number of research programs and has been deeply involved in the development of a new curriculum and new approaches to instruction in the Faculty of Medicine. The title of his address will be "Educational Research in Decision-Making".

Dr. John D. Hamilton, Vice-Provost in the University and a former Dean of Medicine, will be conference director.

The following nations are sending official delegates: Argentina, Bolivia, Brazil, Canada, Chile, Colombia, Dominican

Republic, Ecuador, Guatemala, Honduras, Jamaica, Mexico, Nicaragua, Panama, Paraguay, Peru, United States, and Venezuela.

Cameroun, Africa, has indicated its intention of sending an observer and invitations have been sent out to interested people in United Kingdom, Spain, Israel, Japan, Sweden, Norway, Denmark, United Arab Republic, Germany, France, Switzerland, El Salvador, Cuba, Haiti, Uruguay, and Portugal.

Conference proceedings will be conducted in the Royal York Hotel.
